

Remember the Safety Rules and Go, Go, Go!

The Wrong Way Riders don't know the safety rules.
Can you teach them before they get into trouble?

Use your best printing to make a sign listing the rules they should know.

Safety Rules

1.

2.

3.

Answers:

1. Keep hands and feet inside the ride.
2. Ride "eyes front" to protect your neck.
3. Hold on tight with both hands.

Use your favorite colors to brighten up the SaferKids.
